Dear Parents / Caregivers

Birkenhead Transport and Auckland transport have informed the school that there will be a change to our **afternoon** school bus runs effective from Monday 1st August.

Due to low number using the 012 Bayview service in the afternoon, this bus will no longer operate. The students that normally catch this bus will now be required to use the 077 service. The 077 route has been adjusted to include the Bayview area stops (it will travel along Manuka, Spinella and complete the usual Bayview loop that the 012 did).

If you have any questions, please contact Birkenhead Transport or visit their website.

Regards
