

# Glenfield Intermediate School

12 September 2016

Dear Parents and Caregivers,

Once again this year we are giving parents of Glenfield Intermediate students the opportunity to purchase their own child's artwork on calendars, cards, diaries or note pads. These items will be printed by Abacus and are a truly wonderful Christmas gift for family and friends. Many families will be very familiar with the items from their child's time at primary school. All students have attended the Visual Art programme here at school and have produced wonderful artwork. All these have been photographed and can be used to front the Abacus item or items of your choice.

The other option is to use a **photograph of your own choice that you have taken.** (see below for details about how to do this)

The prices will be as follows:

Photo Calendar (each)	\$12.50
Kids Notepad (each)	\$14.00
Cards per pack of 8	\$13.00
Diary (each)	\$16.50

All the items will be "photo", as we will be using photos of your child's art work for covers. If you wish to submit a family photo yourself **PLEASE** ensure you indicate this on the form and then include the **submit photo** reference number, as you will do this straight to Abacus yourself via [www.abacus.co.nz](http://www.abacus.co.nz).

We have a cut off return order and payment date of **Friday, 21 October**, so please ensure your order and payment is returned to school prior to that date.

For further information about Abacus the website is [www.abacus.co.nz](http://www.abacus.co.nz)

If you have any queries regarding this fundraiser, please contact the school office on 444 6582 or email [jfloerchinger@glenfieldint.school.nz](mailto:jfloerchinger@glenfieldint.school.nz)

Thank you for your anticipated support.

Yours sincerely

**Jenny Floerchinger**

PTA teacher representative
