

Monday 24 July 2017

Dear Parents

Glenfield Intermediate School will be running the Keeping Ourselves Safe (or KOS for short), programme during term three 2017.

This programme is essentially a child abuse prevention programme, however a large proportion of the programme also focuses on the students being given the skills and strategies to keep themselves safe in a variety of situations and locations.

The programme is far more successful if the parents/caregivers of the students are both supportive and involved.

To this end I am holding an information evening on Wednesday 2 August 2017 at 5.30pm, to outline this programme and answer any questions you may have.

This meeting will be held in the staff room.

Please complete and return the slip below by Friday 28 July 2017 to the office

NB if there are insufficient numbers attending this meeting it will be cancelled.

regards
