Dear Parents/Caregivers,

**School Cross Country and Fun Run**

This year we are combining our annual school cross country run with the Adidas School Fun Run. This event will be on Friday 28 July, starting at 11am. All students are encouraged to participate in this event, and will be completing the course unless the slip below is returned to school.

Students will earn house points for competing and the first ten finishers in each year level will represent Glenfield Intermediate School at the North Harbour Cross Country Zone Day on Tuesday 8 August 2017.

The Fun Run, is a healthy, fun and active fundraiser. All students have received a Sponsorship Booklet to help collect sponsorship on behalf of the school. Fundraising can also be done online at <http://schoolfundraising.co.nz/>. Funds raised will be used to purchase new football goal posts and basketball backboards. Students who raise \$10 or more can select and order a prize from the booklet for their effort.

Please support your child's participation in this event by ensuring they bring to school on the day suitable footwear for the run and a water bottle. Marshals will be strategically placed along the route to ensure the students enjoy a safe run.

We would be grateful for some help on the day, to maximise the safety of our students. We require extra adults to act as marshals around the course, ensuring students stick to the route and stay safe as well as to offer some general encouragement for our students. If you are able to help in this way please indicate on the slip provided.

The cross-country run route will be as follows: Students depart from the school's upper field run down to the Hillside Road gate → left, into Hillside Road → left, into Diana Drive, up the hill → left, into Chivalry Road → left, into second Bruce Road entrance → along Bruce Road until opposite the school's Bruce Road entrance → cross Bruce Road → right, into the school's Bruce Road thoroughfare finishing on the upper field.

Please don't hesitate to contact me if you have any questions about this event.
