## IMPORTANT UNIFORM UPDATE

Dear Parents / Caregivers

I am very excited to announce that Glenfield Intermediate has changed uniform supplier. Over the last 6 months the Board of Trustees and myself have been investigating ways to save parents and the school money around school uniforms.

We have contracted NZ Uniforms to take over the purchasing, manufacturing and selling of our school uniforms. From **Monday 10th October 2016**, the Glenfield Intermediate uniform will be sold at the NZ Uniforms Albany branch situated at Unit F, 19 Orbit Drive, Albany, North Shore.

The advantages of moving our uniform off site are:

- The retail store is open **six** days a week (including Saturday)
- Specialist staff will assist parents with sizing and exactly what is required
- There will be a reduction of price on several items
- There will be a new online purchasing website specifically for Glenfield Intermediate parents (watch the school newsletter for when this goes live)
- The school can reassign 'uniform' staff to focus on teaching and learning
- The school will receive sponsorship from NZ Uniforms that can be used for school representative apparel

Whilst we have moved the majority of our stock to the Albany store, to ensure a smooth changeover we have kept some stock at school for any last minute purchases that parents may require. The last day for uniform sales at Glenfield Intermediate will be **Wednesday 21st September**. After this date, all purchases will need to be made at the NZ Uniforms store in Albany.

If you have any queries about uniform in the next few weeks, please contact Fi Stewart at [fstewart@glenfieldint.school.nz](mailto:fstewart@glenfieldint.school.nz) or contact the school office.

Kind Regards

A handwritten signature in black ink, appearing to read 'Mark Whitford', is written over a horizontal line.

Mark Whitford

Principal
