

# Glenfield Intermediate School

20 June 2016

Dear Parents and Caregivers

## Annual School Cross Country Run

Our school cross country event is taking place on Thursday 7 July. We will be starting this event at 1pm to ensure we are finished by 3pm. All students are encouraged to participate in this event, and will be completing the course unless the slip below is returned to school.

Students will earn house points for competing in our school cross country and the first ten finishers in each year level will represent Glenfield Intermediate School at the North Harbour Cross Country Zone Day on Tuesday 9 August 2016.

Please support your child's participation in this event by ensuring they bring to school on the day suitable footwear for the run and a water bottle. Marshall's will be strategically placed along the route to ensure the students enjoy a safe run.

We would be grateful for some help on the day, to maximise the safety of our students. We require extra adults to act as marshalls around the course, ensuring students stick to the route and stay safe as well as to offer some general encouragement for our students. If you are able to help in this way please indicate on the slip provided.

**The cross-country run route will be as follows:** Students depart from the school's upper field run down to the Hillside Road gate → left, into Hillside Road → left, into Diana Drive, up the hill → left, into Chivalry Road → left, into second Bruce Road entrance → along Bruce Road until opposite the school's Bruce Road entrance → cross Bruce Road → right, into the school's Bruce Road thoroughfare finishing on the upper field.
