Year 7 Auckland Zoo Trip

Dear Parents

As part of our science curriculum, Year 7 students will be studying animal survival and adaptation and will be visiting Auckland Zoo on Monday 9 May 2016.

We will travel by bus and will be leaving school at around 8:45 am. The students will need to be in school at 8:30 am this day. We will return to school in time for the end of the school day. The cost of this trip is \$15 per child. This covers the cost of the bus and the educational workshop while we are there.

It will be an exciting and educational addition to our curriculum. As well as visiting the animals around the zoo, some fun activity sheets will be provided to help the children investigate the animals at the zoo. The children will also take part in a workshop about animal adaptation.

On this day your child will need to wear P.E. uniform with comfortable walking shoes. They will also need to take morning tea and lunch. We hope the weather will be fine so we ask that you pack a sun hat and apply sunscreen before they leave home as well as bringing more to reapply if necessary.

Each class will need to take a small number of parent helpers with them. If you are able to assist with this trip, can you please complete the necessary section on the slip below. Your child's class teacher will notify you if your help is required on the trip.

If you have any queries regarding this trip then do not hesitate to email me on amorkos@glenfieldint.school.nz. For more details about the unit of work the students will be doing, please check out the class blog.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Amany', written over a horizontal line.

Mrs. Amany Morkos
Year 7 Leader of learning

Year 7 Auckland Zoo Trip - Monday 9 May 2016

Please return \$15 and the permission slip to the Activities Room by Wednesday 5 May 2016.

- I give permission for my child to take part in the above trip.
- I am able to act as a parent help on the day.
