## A MESSAGE FROM THE PRINCIPAL

Dear Parents and Caregivers

Welcome back to Term 3. Despite the weather not being the best, I hope everyone had a great holiday and spent some quality time together as a family. This term has started with a busy two weeks with parent interviews, school cross country and also a parent evening focused around our 'Keeping Ourselves Safe' health programme. Things don't slow down with a number of big events including our Open Evening (for new enrolments 2020), school production, Japanese visitors, the China trip, and 'Sports Camp' in Matamata. I look forward to seeing the many student successes over the next term.

### Parent Interviews Evening

It was nice to see many of you at our parent interviews in the first week of term. As a school we are always striving to get parents involved with their child's learning and visiting the school regularly is one way. Another way is discussing learning at home. Students have set new goals for Term 3 based on their reports and also the parent interview feedback. Please ask your child what their learning goals are for the rest of 2019 and how you can help them at home.

### Enrolments for 2020

Term 3 is our busy term for working with the local community to get our Year 6 students enrolled at GIS. Our annual Open Evening (for 2020 prospective students and parents) is on Monday 5th August starting in the school hall at 6.30pm and concluding with tours around the school. If you have another child, or know of neighbours that have children that may attend GIS next year, please check this newsletter or the school website for enrolment details. Alternatively please contact the school office for information. It is hoped all enrolments for 2020 will be received by the end of Term 3. This deadline is important to ensure we can plan for 2020 accordingly.

### Road safety

Student safety is an issue that we take very seriously, and there are some unsafe behaviours occurring around the school gate at drop off and pick up time. There are two key issues that need to be addressed by the community to ensure the safety of all our students.

1. There is to be NO stopping or parking on yellow lines.
2. NO cars are allowed inside the school grounds to drop off or pick up a student. Please drop off and pick up outside the school grounds.

### Year 8 student visit to Glenfield College

On Friday 26th July all our Year 8 students visited Glenfield College for the day to experience what a day at college is all about. The students had an amazing day and came back to GIS with a real buzz about starting high school. A special thank you to Mr McKinley (Principal) and his team at Glenfield College.

### GIS is a PB4L School

Our purpose is to encourage students to take responsibility for themselves by providing a consistent, positive approach to behaviour.

#### At GIS we value:

- ◆ Respect
- ◆ Responsibility
- ◆ Relationships
- ◆ Resilience

### Planning the future of local parks - Auckland Council consultation on the Kaipātiki Local Parks Management Plan

Kaipātiki Local Board is preparing a local parks management plan to help it with the future management of local parks and reserves. The Kaipātiki Local Parks Management Plan will reflect what residents value about their parks now, and how they use them. It will also identify issues that should be considered as parks are managed and developed in the future, to make sure they meet the needs of future generations.

Please visit -[aucklandcouncil.govt.nz/loveyourparks](https://aucklandcouncil.govt.nz/loveyourparks) to tell us what you love about parks now, and how you'd like to use them in the future.
