SPORT AT GLENFIELD INTERMEDIATE

SPORTS AT GLENFIELD INTERMEDIATE SCHOOL

At Glenfield Intermediate School, we offer a wide range of sporting opportunities to our students in addition to class-based health and physical education. We also offer a range of sporting codes, where we compete against other intermediate schools in zone days. We hope to attend Sports Camp again at Totara Springs in September 2020.

Zone Days – approximate cost \$5 - \$15 depending on the entry fee and travel (Optional to attend)

Zone days are an excellent opportunity for students to try a new sport, compete against all schools in the North Harbour zone and to get involved in sport. Sports may include; **softball, cricket, swimming, soccer, table tennis, rugby, netball, basketball, cross country, league, volleyball, dance sport, athletics, touch rugby, triathlon, gymnastics, kiwi kick, rippa rugby, orienteering.**

Teams that are not currently participating in a weekly competition will be selected a couple of weeks out from the tournament day. A notice to register interest will be placed in the daily notices. It is then up to the students to attend meetings and trials. Once teams have been selected students will have trainings during school time leading up to the Zone Day.

Please note that athletics and cross country will be chosen from the school competitions held beforehand.

Sports Camp \$400 approx.

We are hoping to attend in September 2020

Totara Springs is nationally renowned for their Intermediate School Sports Camps. Currently they hold six of these each winter which pit teams of up to 40 pupils against other schools competing in more than 35 sporting events. Camps start on a Monday afternoon and finish on Friday at lunch time.

Whilst these camps are very competitive they also give kids the opportunity to enter events that they would not normally know too much about.

Sports included in these camps are as follows:

Basketball, volleyball, indoor and outdoor soccer, indoor and outdoor hockey, darts, bowls, tennis, netball, rugby, touch, triathlon, cross country, athletics, kayaking, cage soccer, petanque, croquet, hole in one golf, chess, softball, draughts, swimming, wallball plus their own unique scramball and cheer night.
